

Vision, Mission and Goals

Our vision is “Proudly Moving Indiana into the 21st Century!”

Our mission is to provide our customers the best transportation system that enhances mobility, stimulates economic growth and integrates safety, efficiency and environmental sensitivity

Our goals:

Mobility To ensure a statewide transportation system that is accessible, efficient and offers flexibility of choices

Economic Growth To stimulate Indiana’s economic growth and competitiveness

Safety To create, promote and maintain a safe transportation system and a safe work environment

Workforce To foster a diverse, productive and motivated INDOT workforce

Customer Service To address the needs of our customers with a constant focus on better serving our customers

Resource Management To use sound business practices as stewards of the public’s resources, producing a safe and efficient transportation system in Indiana

Technology and Research To advance technology and research to improve Indiana’s transportation system

Environment To protect and enhance the environment, both natural and human, affected by Indiana’s transportation system
